Comments

“ I am deeply sadden to learn of your lost. Canetta is in Jesus hands now and in total comfort. Donna I pray for your continued strength. I was glad to be of assistance as one of Canetta's patient companions at the clinic. She was so strong and had so much courage.

“ To my sweet Donna, but I also have to say VERY BOLD, and COURAGEOUS! I thank GOD, for those wonderful gifts He has given to you! and yes they are gifts from God! He gave you that Boldness and courageousness, because he knew that you were going to need it! No one can tell you how to grieve or when to grieve! all you need to know is that there's comfort in God Almighty and he knows what you need, when you need it, and how often you need it! there is no right or wrong way to grieve, just know that God is your comforter! if you need me, when you need me, I'll be right near! I know you may not understand GOD'S PLAN, but Wisdom and Understanding comes straight from His Mouth! Because truly, I don't care how long we live on this earth, or how long we're in God...we don't' know NOTHING! loving you with a JESUS LOVE! Apostle H. D. Sellers!
