“ Mom this is your daughter and I miss u dearly my love. Thank you for giving us your whole life and existence to ensure that we as your children, could have the best and be the best. Your love could not be measured, because you poured it out endlessly. I'm trying down here. We both are. Watch over us. Talk to God tell him something for me if you can. Love CiCi

“ I have only heard wonderful and heart felt words to describe the impact that Linda had on everyone she met. Prayers going up for her family, who will miss her deeper and longer than anyone..she will be with each of you-always. Remember her kind and loving spirit during the difficult times, I think she would want you to be comforted in knowing she is in eternal peace with our Lord.

“ Linda was a beautiful and wonderful co worker. She always worked hard and always had a smile. Linda was my rock and was by my side when my husband was sick and then passed away. She kept me going with all her talks. She helped me so much and always told me she was so proud of her kids. So blessed to work with a hardworking ,dedicated friend. I know one thing for sure I will truly miss her and I know her lutheran family will also miss her. My deepest sympathy to her wonderful family. Prayers. I know one thing you touch my heart and Know your are watching over us.

“ While I only knew Linda for a short two years, her influence around Lutheran Hospital is unmatched. She was known as a mother, friend, and caregiver to the entire Lutheran community. I will never forget her laugh, her smile, and her ability to pick up anyone's spirit when they needed it. What a blessing to have met and served with her. God bless her, her family, and all of those who miss her.

“ Linda was one of my first mentors here at Lutheran. Always a smile and a positive attitude. If you were having a rough day or anything got you down she would lift your spirits and/or tell you "PRAY" about it. Loved her so much. God has another angel.
