“ To the Acree Family, Our family has known your family for a very long time. We all have had a special relationship with “Peewee”. He was a crucial part in helping us care for our Mom and Dad thru their illness, he was our sister Carmella’s fiancé. He was my go to person for car troubles, he was an overall good person. He made us laugh. He made Mom and Dad laugh. He was our protector, he was our handyman, he was our other brother, he was our family. I am truly missing him now and I will always miss him. He is a part of my life, and I thank God he was in my life. What a wonderful human being. And, just a good person. God bless you all

God bless the family

“ Dearest Acree Family,

We are so sorry to hear the death of William (Pee Wee). We will miss him very dearly.

He was a great influence on 84th street, friend, neighbor and wonderful personality.

We go back for many years(50 years). He was good friend to our family(just like your father Mr. Acree). When he left us on 84th about a few years ago things have not been

the same. He was true to his word. A very respectful and loved person.

God be with you and yours at this time of sorrow. If you believe read "The Footprints" when you're down. He will carry you the rest of the way.

Love you all!

God Bless

The Pearson Family,
