

## Yvonne C Green

December 31, 1950 - March 15, 2018

Yvonne C. Green was born in Charleston, West Virginia to Ruby Mae Green. She was the youngest of two children born to Ruby Green.

She grew up in and continued to live in Cleveland, Ohio, attending A. J. Rickoff and Alexander Hamilton schools. She joined the workforce at an early age to care for her family. In April of 1973 she joined (then) Brentwood Hospital. Yvonne worked her way up to the position of Clinical Technician, of what is now Cleveland Clinic South Pointe Hospital, where she worked in the Surgery Department. She retired after 43 years of service due to illness. Over the years there was a great showing of support in how she was always missed, thought of, and how things would not run efficiently until she returned.

Yvonne Green was a supporter of Faith Temple through her daughter. She enjoyed spending time with family and friends. Von loved to laugh, joke, and have a good time. She enjoyed traveling, cooking, dancing, and playing cards. Von was a pet lover; she and her daughter always had a kittycat. She loved her furry kids, even though they got on her nerves on a regular basis.

Yvonne rarely met a stranger. She had a heart of gold for people and never had a problem extending herself to those that needed assistance. Nothing could deter her kind, giving heart. Only the physicality of heart disease slowed such a leader and fighter down. She had a “never quit” spirit, even until the end.

On Thursday, March 15, 2018 Yvonne slipped peacefully and quietly out of her body surrounded by family. Yvonne Green, affectionately referred to as “Von” or “Vonnie” was proceeded in death by her dearest mother, Ruby Mae Green and her dear son, Mark Green.

Von is survived by her treasured daughter, Jervonne Flowers; her cherished brother, Ervin Green (Roberta); along with a multitude of relatives and extended family and friends.
